

Replant Rules

To receive a replant payment:

- Must be allowed by the crop provisions
- Must be buy-up coverage (no replants on CAT)
- Must have planted the crop after the initial planting date, if applicable to the crop
- Must be practical to replant
- The acreage to be replanted must be at least the lesser of 20 acres or 20% of the insured planted acreage of the unit
- Must have consent of the adjuster to replant. ***If you replant a crop without adjuster consent you will NOT receive a replant payment.***

Replant payment will be the lesser of:

- 20% of the production guarantee for the unit (exception – 10% of guarantee for dry beans) or
- The quantity listed below times the price election times your share.
